

free Home Inspection

HomePro Inspections is excited to announce our FREE Home Inspection Program

We will pay for your Home Inspection if you can find a Home Inspection Company that has more experience and better credentials than we do.

To qualify for your Free Home Inspection the company you find will need to exceed all of the following experience and credentials of HomePro Inspections LLC

- ◆ Completed over 15,000 Home Inspections
- ◆ Exclusively in the Home Inspection since 1991
- ◆ New York State approved Radon Laboratory
- ◆ Approved New York Home Inspection Education Provider
- ◆ Approved New York Realtor Education Provider
- ◆ Former President New York State Association Of Home Inspectors
- ◆ Former President Hudson Valley Chapter ASHI
- ◆ Nationally recognized education provider
- ◆ Provides thermal imaging on every job
- ◆ Provides a web based digital inspection report
- ◆ Full time staffed office to assist in all your inspection needs
- ◆ For the full list of credentials visit www.HomeProNY.com/StaffProfiles

If you think your home inspection company qualifies for the Free Home Inspection Program call us.

If they don't qualify don't you think you should be using the most experienced home inspection in the Hudson Valley.
